

Luxury penthouse with sea view and spacious terrace- Rovinj

625.000 €

3.592 €/m²

An exclusive penthouse with a taste of the sea and a touch of historic city of Rovinj is for sale. This luxury apartment with 174 m² is located on the second floor (and the last one) of a brand new building that has only three apartments (also for sale under ad numbers [ID 2208](#) and [ID 2209](#)). The property is situated on the outskirts of the construction zone, only 600 m from the sea and 1 600 m from the city centre.

The penthouse has three spacious bedrooms, two bathrooms and one toilet. The open space concept of the kitchen and living room continues towards the terrace which offers a unique view of the old town centre and the sea. Besides the view, the terrace of 30 m², on which you will surely spend most of your time, will impress you and your guests with its outdoor kitchen. The owners will also get one a garage on the ground floor and one parking space in front of it.

The heating and cooling, for space and water, are solved via fan coil units hidden in the ceilings. But, if you love the feeling of warm floors on a winter morning, we must inform you that the whole apartment has floor heating installed.

The building was built as a low-energy luxury property, both for summer vacation and for residential purposes, with an insulation of 15 cm and has energy class A.

Construction work began in September 2018 and the completion is scheduled for the end of 2019.

Big glass walls dominate throughout the whole property and are made of tripe toughened glass that fulfills the regulations for heat and noise insulation. Exterior ALU joinery was supplied from the renowned manufacturer – Wicona, while the floors of the penthouse are all covered with high-quality oak.

Rovinj is a small gemstone of the northern Adriatic. It is special due to many small romantic alleys that hide numerous historical and gastronomic secrets. Just like this newly built property, which rarely appear in the area and can be used both for tourist purposes and as a place to live in.
