

Town Centre Apartment with Spacious Patio

250.000 €**2.174 €/m²**

Living in the historical centre of a coastal City, while still having your own peace – sounds too good to be true.

But not in this 115m², 3-bedroom apartment in the heart of Pula.

The high ceilings and large windows facing South offer plenty of Natural Light, warmth, and beautiful views of the city, while the central heating system warms up the space in the winter months.

The kitchen & dining area have a romantic balcony, creating the perfect atmosphere for preparing Mediterranean recipes, or just enjoying your morning cup of coffee!

Throwing yourself on the couch after a long day of work sounds good, but inviting your friends for a spontaneous party sounds even better!

The living room is large enough for a big gathering, but why not take the party up on the rooftop for a real “summer in the city” experience? And if your group is particularly keen on beer, there are 2 toilets, so you will not spend the whole night waiting in line.

But we’re sure you’ll be lining up to get this apartment once you hear about the additional attic area which can be transformed into a home office, studio or a safe haven from the rest of the world!

In case you’re not planning on spending a lot of time here, you can always rent the apartment during the whole year since the city is a Popular Tourist Location, and a Business Centre.
