When you buy a property in Istria, you know why you are doing it. This magical region wins the hearts of all who visit, and among the most sought-after are houses by the sea – like this elegant villa near Medulin.

For those looking for a combination of sea and peace

Ližnjan is home to one of the cleanest seas in Istria, and the nearest organized beach is just 1.3 km away from the villa. This area offers more than 30 kilometers of untouched coastline with beautiful, peaceful coves that will take your breath away – perfect for lovers of the sea, nature and silence.

Mediterranean garden and peace

Once you step into its courtyard, your Istrian story will be complete. The Mediterranean garden filled with the scents of lavender and rosemary creates an atmosphere of complete peace. The view of the pool invites you to relax, while the pergola with summer kitchen provides the perfect stage for family gatherings on warm evenings.

The garden is a true Mediterranean oasis – more than 1000 kilograms of figs per year, about 30 liters of homemade olive oil, some grapes, pomegranates and jujubes, which are a natural source of vitamin C and make the garden the perfect place to enjoy the fruits of Istria.
